CLAIMS 1-36 ARE PENDING

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

2. Applicant's arguments filed 8/15/03 have been fully considered but they are not persuasive.

Applicant fails to appreciate the breadth of the claims, and fails to recognize or explicitly respond to the rejections set forth in the previous action. As an example, at page 9 line 4 it is stated that Busche et al does not include "decision tree." It was pointed out in the rejection that decision trees are included in the system of Busche [COL 6 lines60-65]. Object oriented programming systems and other elements of the claims were also explicitly rejected.

3. Claims 1-8, 10-17, 19-26 and 28-35 are rejected under 35 U.S.C. 103(a) as being unpatentable over Busche et al (Busche), US 6,430,547 B1, 06 August 2002 in light of Agrawal et al (Agrawal), US 6,230,151 B1, 08 May 2001.

This maintains the rejection of the previous action, which is hereby incorporated in its entirety.

4. Claims 9, 18, 27 and 36 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

x. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
